How can I enroll my child in a class?

For returning customers, you can enroll through the Parent Portal by selecting the class you wish to register for.

For new customers, you can register through our website here:

<https://www.dancedayzstudio.com/schedule>

Select the Register button next to the class of choice. Fill the form out with your students' information, choose your class, agree to the policies, and submit to join. You will receive a confirmation email with additional information. Your information will be sent to us and we will see you at the studio for your first class!

How do I enroll if a class has a waitlist? Will I be charged?

Select the Waitlist button next to the class of choice. Fill out the form with your student's information, choose your class, agree to the policies, and submit to join. You will be sent a confirmation email that will tell you what happens before and during class, our dress code, and how to best get a hold of us. Once a spot becomes available, we will email you to confirm your enrollment in the class. Feel free to follow up with us as needed to see where you are on the waitlist.

Can I observe a class before enrolling?

Not every week. We are a drop-off and pick-up facility to ensure prime focus and safety for the 45-60 minutes a week your child is with us. Every 6-8 weeks we have an in-class "performance week" where parents will be invited to the studio and your students will demonstrate all of the skills they have been working on and dance. If your student would like to try a class out before enrolling, we offer a free week of trial classes. To enroll in a trial class, visit our website here:

<https://www.dancedayzstudio.com/schedule>

Select 'Yes' when it asks if you are taking this class as a Trial on the registration form. Payment information is entered at the time of registration but you won't be charged until you come to your trial class. This information helps us avoid no shows and makes the enrollment process easier for you!

Dance Classes

What is your age range for classes?

Petites: Ages 3-4, Minis: Ages 5-6, Juniors: Ages 7-8, Level 1+: 8 and up

Arrival and Pickup

Dance Dayz staff are not responsible for monitoring the drop-off and pick-up of your child. Parents and/or guardians are responsible for making sure that their child enters and leaves the lobby safely. The parents of children who are not able to use the restroom independently are asked to remain nearby. There is currently no viewing in the lobby, you will drop your child off at the door and pick your child up after class. We now have performance weeks (demonstration days) every 6-8 weeks to show off skills and a themed dance to replace weekly viewing.

What can I expect before class?

Before Class – When arriving at the studio, your student will walk into the lobby and put on the appropriate shoes for their scheduled class. Once the teacher opens the door and invites the students into the class, they will choose a cubby for their belongings. We ask that parents assist with putting on shoes before the class starts to avoid any delays and/or distractions. If you arrive after class has started, follow the same steps above. We also ask that your student please use the restroom before class and that parents remain outside the studio during class if they regularly need assistance with using the bathroom.

Taking class as a trial? Just let the front desk know you're a trial student! No need to sign in. Same steps apply to the beginning of class for all students.

What can I expect during class?

During Class – Each class will begin with a series of warmups, stretching, and reviewing of basic skills. We play games that enforce important skills in a fun way. We practice a variety of dance moves and combinations throughout the class that we can't WAIT to perform for our friends and family! We also prepare our students for in-class performances with holiday themes as well as to show progress in our June recital routines. We aim to provide a positive and fun environment to celebrate our student's progress and success

What should I bring to class?

You will want to bring a *water bottle* with water and bring the *corresponding shoes* for the type of class enrolled in. Refer to our dress code for more information on shoes.

The class has already started– Is it too late to join?

Absolutely not! Classes are ongoing with only month-to-month commitments, meaning you can join anytime. Check out our classes and register here:

<https://www.dancedayzstudio.com/schedule>

Do you offer make-up classes?

Yes. You can schedule your make-up within 30 days of the class absence through your parent portal. Waitlisted classes will not accept makeup registrations.

How do I cancel classes?

We offer the ability to drop enrolled classes at any time, however, we will not place a hold on your account. There are no guarantees for re-enrollment in the dropped class. Authorized parent/guardian must submit all drop requests online through the Parent Portal 14-days prior to the 1st of the month (meaning by the MIDDLE of the current month). Any drops submitted after the due date will NOT be refunded. For example, a drop request for January tuition must be received by December 15th. Verbal drop requests or emailed written notices will NOT be honored.

Will class duration ever change?

We require a minimum of three students attending a class to begin. Should there be less than three students in a class, we reserve the right to adjust the class length and end time. Continuous low enrollment may cause a class to be canceled, but prior notification will be provided. *We require all students to be enrolled in their classes before arriving at the studio.*

Recitals

Do you have recitals?

We host one annual Summer Recital that all eligible dancers can participate in. While we don't currently offer a Winter Recital, adding more performance opportunities in the future is definitely something we're working toward!

What will be the cost for recitals?

The current cost of the recital package for 2026 is \$175. This includes a costume, a pair of tights, a recital t-shirt (with their name on it), a video recording of the entire show, and a commemorative program.

Always keep up to date on this information on the announcements page of the website.

Parents & Viewing

Can parents watch class?

To maintain a focused and distraction-free learning environment, parents do not sit in during weekly classes. We love giving families the opportunity to see progress at designated observation days and performances throughout the season.

Where can I wait during class?

Parents are welcome to wait in the lobby area, just outside the studio, or enjoy the surrounding mall during class time. *We ask that all waiting areas remain calm and respectful of ongoing classes.*

Is food allowed in the studio?

To help us maintain a clean and welcoming environment for all families, we kindly ask that food not be eaten in the lobby area. Crumbs and spills can attract pests and create safety concerns.

If your dancer needs a snack, we recommend enjoying it outside the studio before or after class. Water bottles are always welcome.

Can siblings stay in the lobby?

Siblings are welcome to wait in the lobby. However, while siblings may wait without a parent present, Dance Dayz is not responsible for children who are not enrolled in class. All children in the lobby area are expected to be supervised and follow studio guidelines.
